Continuing Explorations into TT Theory & Practice

In order to anticipate and provide for the needs of all who attend - patients, students, & teachers -- it is important to know if you have a physical or psychological medical condition for which you feel Therapeutic Touch would be helpful. In addition, please describe any on-going medical conditions we should be aware of in planning for your stay. (Be assured that this in no way prejudices your application.) Use as much space as necessary.

List prescription medication(s) you are presently taking.

Choice of roommates? Please request in advance.

Choice of accommodation* Plumbing (\$530) Non-Plumbing (\$390) (indicate preference) *first-come, first-served as applications with deposits are received

Work Exchange Option: There is an opportunity to apply to participate as staff, exchanging 2 hours of work per day for partial fees. A staff application will be e-mailed to you on request. The 2nd option is not available for anyone enrolled in Mentorship, and it is not recommended for anyone who wishes to participate fully in Continuing Explorations program, but if you are interested in providing service to the camp or the program, and don't mind missing some of the instructional or practice sessions, this option exists. If you are interested in *either* option, check here _____ and we'll e-mail you a staff application. As we require only a limited number of staff, acceptance will be based on need and/or experience.
